2013 Spring COAMFTE Meeting

The Commission on Accreditation for Marriage and Family Therapy Education (COAMFTE) meets biannually to review programs in marriage and family therapy at a masters, doctoral and post-degree level for compliance with the current COAMFTE Accreditation Standards.

As stated in the [COAMFTE Accreditation Manual: Policies and Procedures](#):

The Commission will award initial accreditation or renewal of accreditation to programs evidencing compliance with accreditation standards. Initial accreditation is for a period of five (5) years. Renewal of accreditation is usually for a period of six (6) years. (Shorter periods of accreditation may be awarded at the discretion of the Commission.)

In some instances, a program with minor deficiencies may be awarded accreditation provided they can be corrected within a two-year period of time. The COAMFTE will specify "stipulations" that must be addressed in an interim report, due at a time determined by the COAMFTE, or by an interim site visit to be conducted at a time determined by the COAMFTE. (p.17) For information on specific program's stipulations, please contact the Accreditation Office at COA@aamft.org
