Dr. Carmilla Solomon  
Marriage and Family Therapy Program  
Antioch University Seattle (MA)

Dear Dr. Solomon:

The Commission on Accreditation for Marriage and Family Therapy Education (COAMFTE), at its October 13-14, 2025 meeting, reviewed the Response to Stipulations, the Focused Interim Site Visit Report, and the Program's Response to the Focused Interim Site Visit Report submitted by the Marriage and Family Therapy (MA) program at Antioch University Seattle.

The Commission voted to accept the program's **Response to Stipulations** and to **remove** the following Stipulations:

#### Key Element I-C

The Commission's review of the program materials is below:

### **STANDARD I: OUTCOME-BASED EDUCATION FRAMEWORK AND ENVIRONMENTAL SUPPORT**

#### **Key Element I-C: Plan for Assessing Environmental Supports**

*Environmental supports are institutional and program resources that contribute to successful student achievement, program quality and an inclusive and diverse learning environment. The program has a plan for maintaining effective environmental supports through a process of review that includes collection of feedback from identified communities of interest, program review, focused corrective action/advocacy where needed, and input to and from institutional leaders.*

*The plan for reviewing environmental supports includes the following areas:*

- *How the program promotes an inclusive and diverse learning environment.*
- *How the program follows published policies for receiving, reviewing, and responding to complaints and grievances, and student concerns.<sup>1</sup>*
- *How the program monitors other environmental supports including:*
  - *fiscal and physical resources*
  - *technological resources*
  - *instructional and clinical resources*
  - *academic resources and student support services*

- *How the program complies with institutional policies and procedures concerning the use or technology, including policies on disaster planning and recovery of information, and responses to illegal or inappropriate uses of technology systems and resources.*
- *How the program ensures the reliability of technology systems, the integrity and security of data, and safeguards student and client information in accordance with applicable regulations and guidelines.*

*Please note: Results of this review process are reported and discussed in Key Element IV-C*

**Commission's Response:**

The program meets the requirements of this Key Element. The Stipulation is removed.

The Commission also voted to remove the program from Probation. The program is now in good standing with the Commission. The program is accredited with no stipulations for the cycle of November 1, 2023 - November 1, 2030.
