Dr. Christian Jordal  
Marriage and Family Therapy Program  
Drexel University (MFT)

Dear Dr. Jordal:

The Commission on Accreditation for Marriage and Family Therapy Education (COAMFTE), at its October 21-22, 2024 meeting, reviewed the Response to Stipulations submitted by the Marriage and Family Therapy (MFT) program at Drexel University.

The Commission voted to accept the program's **Response to Stipulations** and to **remove** the following Stipulations:

#### Key Element III-E

The Commission's review of the program materials is below:

### **STANDARD III: CURRICULUM**

#### **Key Element III-E: Program Transparency and Informed Acknowledgement**

*The program demonstrates that the curriculum aligns with the educational and clinical practice requirements (e.g., coursework, clinical experience, and supervision) that satisfy the regulatory requirements for entry-level practice either in the state/province/location in which the program physically resides or in which the student intends to practice.*

*Programs must provide prospective and entering students information regarding the MFT profession's licensure and regulatory requirements as follows:*

- *The program demonstrates use of a policy and process to ensure that all students are informed of the MFT profession's general regulatory structure and that practice/licensure requirements, including qualifying degree requirements, may vary across state/provincial jurisdictions.*
- *This information, along with resources for contacting state/provincial regulatory bodies, must be provided to students and acknowledged in writing, prior to beginning the program's course of study.*

- *Programs that include teletherapy and/or virtual supervision as part of the clinical practice experience must have a policy on how the program ensures that such practices are compliant with relevant federal, state, or provincial regulatory requirements.*

**Commission's Response:**

The program meets the requirements of this Key Element. The Stipulation is removed.

The program is accredited with no stipulations for the cycle of May 1, 2019 - May 1, 2026.

The following document must be submitted in the required format by the noted deadline:

Document	Submission Deadline
Annual Report	January 31, 2025
