Dr. Carrie Hanson-Bradley
Marriage and Family Therapy Program
The University of Nebraska-Lincoln (MS)

Dear Dr. Hanson-Bradley:

The Commission on Accreditation for Marriage and Family Therapy Education (COAMFTE), at its April 13-14, 2026 meeting, reviewed the Response to Stipulations submitted by the Marriage and Family Therapy (MS) program at The University of Nebraska-Lincoln.

The Commission voted to accept the program's **Response to Stipulations** and to **remove** the following Stipulations:

Key Element II-E

The Commission's review of the program materials is below:

STANDARD II: PROGRAM LEADERSHIP, PROGRAM FACULTY, AND PROGRAM CLINICAL SUPERVISORS

Key Element II-E: Program Clinical Supervisor Evaluation and Effectiveness

Program clinical supervisors meet the expectations of their program and professional roles. The program reviews clinical supervisor effectiveness and contributions to program quality.

- *The program must have a stated process for evaluation of the program clinical supervisor's contribution and effectiveness appropriate to the supervisor's role.*
- *The evaluation process must identify who directs the process, the evaluation methods and data used, timeline, and as needed, include a plan to support further development and enhanced effectiveness.*
- *The program must demonstrate that it completes its program clinical supervisor evaluation and effectiveness review process and assures that the results of the evaluation are provided to each program clinical supervisor.*

Commission's Response:

The program meets the requirements of this Key Element. The Stipulation is removed. The program provided evidence of an effectiveness review process for program clinical supervisors that has been implemented. The program demonstrated that the results of the evaluation are provided to program clinical supervisors.

The program is encouraged to have a process that specifically describes who is involved in the effectiveness data review of the program clinical supervisors, and how they are involved in that review process.

The program is accredited with no stipulations for the cycle of November 1, 2024 - November 1, 2031.

The following document must be submitted in the required format by the noted deadline:

Document	Submission Deadline
Annual Report	January 31, 2027

Please feel free to contact the Accreditation Office by email at coa@aamft.org or by phone at (703) 253-0448 if you have any further questions or would like additional information.
