

COAMFTE

Commission on Accreditation for
Marriage and Family Therapy Education

Dear Program Directors,

COAMFTE is closely monitoring the threat of the COVID-19 virus and the impact on MFT programs. Many programs have recently submitted requests for extensions for the upcoming April 1, 2020 deadline for Self-Studies and Eligibility Criteria materials. The Commission has noted that the current COVID-19 crisis rises to the level of an extenuating circumstance that is beyond programs control. The Commission has approved a delayed deadline for Self-Studies and Eligibility Criteria materials.

The Spring 2020 submission deadline for all Self-Studies and Eligibility Criteria Materials (including addendums) has been updated to **May 1, 2020**.

Please note that with this updated submission due date, programs that require a Self-Study Addendum submission on October 1, 2020 will have a shortened response period.

Best regards,
